

Making patterns with 2D shapes

1 Show the repeating part of each pattern.

The first one has been done for you.

2 Circle the shapes that complete the patterns.

3 Draw the shapes that would be in 10th position and 20th position for each pattern.

1	2	3	4	5	6	7	8	...	10	20

1	2	3	4	5	6	7	8	...	10	20

1	2	3	4	5	6	7	8	...	10	20

4 Draw the next four shapes.

5 Complete these grids by following the patterns.
