

# Making patterns with shapes

**1** Circle the shape that goes in the space in the pattern.

**2** Draw the missing shape in each pattern.

3 Draw the next two shapes in each pattern.

Use these words:  
quarter, half, three  
quarter, clockwise,  
anticlockwise.

4 Complete the sentences to describe the patterns.

The turns a \_\_\_\_\_ turn  
\_\_\_\_\_.

The turns a \_\_\_\_\_ turn  
\_\_\_\_\_.

Can we describe the patterns in more than one way?

5 Circle the odd one out.

Explain how you know this is the odd one out.

---

---

## Reflect

Trace around two different shapes.

Make a repeating pattern for your partner to describe.
