Letter from Mr Gaffiney

Thank you all for a simply incredible term! The children have been just brilliant, and it has been an absolute pleasure to see them and the school blossom! We're especially delighted that visitors to the school have commented so positively on this, including the Trust, and I could not be more proud of everyone!

Have a wonderful easter everyone – I can't wait to see what the summer term brings!

Staffing Update

This week has seen us undertake interviews for Deputy Headteacher. I know you'll be as delighted as we are to announce that Miss Gallagher was successful in this process, and so is now our permanent Deputy. She is simply exceptional and we are very lucky to have her!

PTFA – Bingo!

I would like to say a huge thank you to our amazing PTFA who organised a brilliant Bingo night this week! Not only did we raise over £700 for the school, but we had an absolutely brilliant night too! Thanks to everyone who came and supported too!

Communication

We absolutely value the relationships we have with parents and appreciate the importance of communication as part of this. As such, either Miss Gallagher and I are always available on the door in a morning, or you can make an appointment to see us through the office. Though we may not be able

to see you immediately, one of us will always get back to you as soon as we can, and this shouldn't ever take longer than 48 hours.

A reminder that we are no longer using the text message service for parents to message us – please send an email to win-office@win.jtmat.co.uk or give us a call on 01283247570.

We are also aware that there have been some glitches with the text message service. Please do let us know if this affects you and we will do what we can whilst we find a solution.

The School Day

The doors open from 8.45 and all children must be in for 9.00am at the latest. This time is used for learning so the earlier your children can be at school, the more they will get out of this time.

The school day will ends at 3.15pm for Key Stage 1 and 3.20pm for Key Stage 2.

Breakfast Club

We are delighted to provide our own in-house Breakfast Club daily whenever school is open to pupils in all classes. Pupils may arrive any time from 7.30am and no pre-booking is required.

Costs:

7.30 – 8.45am £3.50

8.00 – 8.45am £3.00

These prices include breakfast

After-school Club

We offer after school care daily whenever school is open to pupils in all classes in partnership with Winshill Childcare. They organise and run this session, so if you would like to make use of this then please let the office know and we can share their details.

Pupil Premium

Pupil Premium is an opportunity for those eligible to secure additional funding for their child. This money is used to support them in their learning, as well as subsidising things such as school trips. Please do let us know if you think you are eligible for this, or you can apply directly. Further details can be found here:

Uniform

Looking smart is an important aspect of our school life and we want all of our children to wear our school uniform with pride. Uniform with logos on is available at [My Uniform \(myuniformltd.co.uk\)](http://My Uniform (myuniformltd.co.uk)) or www.wbglobaltrading.co.uk

Logos do look smart but they are not mandatory and local supermarkets have perfectly suitable smart uniform items at very reasonable prices.

On a normal school day, all children should wear:

- Red crew neck sweatshirt/cardigan
- White polo or shirt
- Grey or black school trousers/skirt/pinafore dress or red gingham school dress
- Black flat sensible school shoes (shoes are to be plain with no coloured logos, smart plain black trainers are acceptable)

For safety, earrings must only be modest studs and no necklaces, bracelets or rings should be worn. If jewellery, outside of these guidelines, is worn please do not be offended if your child is asked to remove it for the remainder of the day. If you are planning to get your child's ears pierced, then the start of the summer holiday is ideal as hopefully they can then remove them independently for PE lessons.

Watches are acceptable. Smart watches, however, are worn at your own risk and school cannot any responsibility for loss or damage if these are brought into school.

All long hair should be tied back daily for school. Please use modest hair accessories only.

PE Days

On a PE day, we would like to ask all children to come to school in their PE kit. This saves time changing, preserves privacy and hopefully helps with the washing at home too!

Our PE kit is as follows:

- Plain white T-shirt
- Black or grey PE shorts or leggings
- Trainers
- Warm tracksuit top and bottoms

If you have high-quality pre-loved uniform with plenty of life in it still, please bring into to school (washed and clean) so that it can be re-homed.

Birthdays

At Winshill, we love sharing birthdays with our children! As such, from this year, children are invited to come to school in their own clothes on their birthday (or the day nearest to it of a holiday or weekend birthday). They are welcome to bring sweets or cakes to celebrate with their friends, but these should not include nuts and we ask that dietary requirements of classmates are considered.

Absence and Attendance

We strongly encourage good attendance from all of our pupils. Every day at school matters and so we encourage children to be in school unless they are too unwell to be so. If your child is ill, please contact us via phone on the first day of their absence to advise off the reason why they are absent.

It is always our preference that routine medical or dental appointments be taken outside of the school day, though we recognise that this may not always be possible. Please do not be offended if we ask to see proof of the appointment. This is part of our MAT Attendance Policy.

We cannot authorise any holidays in term-time. Please be advised that such absences are recorded as unauthorised and may be subject to penalty notices (for children 5 years and over).

Questions and concerns

At Winshill Village, we are proud to be a 'family school'. We always work tirelessly in the best interests of your children and keep them at the forefront of all decision-making. We are committed to making their primary school days the very best years of their life.

If, however, something is not going right, you have suggestions on how we could improve something or you have any questions, concerns or worries, we do strongly encourage you to get in touch. We will always welcome you in, listen to you and act on your concerns.
