Key Updates in this Newsletter:

- Clubs restarting
- PTFA Relaunch
- Mellors catering
- Nursery Places and Open Day
- Communication

Letter from Mr Gaffiney

Happy Friday everyone! It's been another incredible week at Winshill Village. Our children are settling back into school life brilliantly and making great progress, both personally and academically. The school has a really positive feeling about it – it's going to be a great year!

This week has been the first where children have brought home their new reading books and reading diaries. We shared these changes with you in a letter last week, but if you would like any further information then please do let us know. Initial feedback has been really positive, but we are always open to suggestions.

We've also been working hard to get dates in for the year and have included these in this newsletter. We have tried to give these to you as far in advance as possible, but please bear with us if we need to tweak any should something arise in the interim. We will, of course, give you as much notice as possible if this is the case.

We have also been busy this week organising trips for the year, starting with residential visits. Usually, our Year 5 and 6 go away for a couple of nights and participate in outdoor activities. This will continue this year, and you can see in the diary dates that we have pencilled in when these will happen. In addition, we would like to offer our Year 3 and 4 children the chance to take part in a campout in the summer term. We will write to you as soon as possible but are really excited at this new opportunity!

This is a part of our commitment to enhancing every part of school life for our children, and I'm delighted that clubs are restarting next week. We will add two 'Enhancement Days' to this, where children will all be off timetable and able to take part in a range of activities in school. Again, these dates are on the calendar.

There is so much to look forward to this year – thank you for your support in making this possible.

Wishing you all a wonderful weekend,

Chris Gaffiney

Headteacher

Updates this week

Clubs restarting week beginning 25th September

You should have received a text message with details of which clubs your child is attending. Please contact us if you haven't received this.

PTFA Relaunch

Huge thanks to those who attended our PTFA information session this week. We have decided to go ahead with the relaunch and invite everyone to our AGM and initial meeting on Monday 23rd October from 3.30pm.

Mellors Catering

Just in case you're not following us on Twitter (or X as it is now called!) or you haven't heard from the children, we now have a wonderful new catering team in school. The food is exceptional and we'd love to welcome even more of our children to eat with us! Menus are all on the website so please do have a look and join us for a delicious lunch.

Nursery Places and Open Day

We still have a few places in our Nursery setting – if there is anyone you know who might be interested, please do put them in touch! The Nursery is amazing and the new team are doing a superb job!

Even better, why not come and see it in action! We are holding an open event on 18th October, and will also be showcasing our Reception too. Further details are to follow.

Communication

We absolutely value the relationships we have with parents and appreciate the importance of communication as part of this. As such, either Miss Gallagher and I are always available on the door in a morning, or you can make an appointment to see us through the office. Though we may not be able to see you immediately, one of us will always get back to you as soon as we can, and this shouldn't ever take longer than 48 hours.

A reminder that we are no longer using the text message service for parents to message us – please send an email to win-office@win.jtmat.co.uk or give us a call on 01283247570.

We are also aware that there have been some glitches with the text message service. Please do let us know if this affects you and we will do what we can whilst we find a solution.

Ongoing Information Items

Diary Dates

Date	Activity	Additional information
Friday 29 th September	Family Lunch – Reception class	Invitations to follow soon!
Wednesday 18 th October	Open Event – future Nursery and Reception parents	Event Information to be shared on all platforms shortly

Training Days (School Closed to pupils)

Monday 6th November – MAT Inset

Monday 8th January – School Training

Friday 5th July – MAT Inset

Monday 22nd July – School Training

The School Day

The doors open from 8.45 and all children must be in for 9.00am at the latest. This time is used for learning so the earlier your children can be at school, the more they will get out of this time.

The school day will end at 3.15pm for Key Stage 1 and 3.20pm for Key Stage 2. **Please note our new dismissal procedure which will start from Monday 11th September!**

Please note that we are going to formal consultation on changing the school day. This will be shared with you in the Autumn Term.

Breakfast Club

We are delighted to provide our own in-house Breakfast Club daily whenever school is open to pupils in all classes. Pupils may arrive any time from 7.30am and no pre-booking is required.

Costs:

7.30 – 8.45am £3.50

8.00 – 8.45am £3.00

These prices include breakfast

After-school Club

We offer after school care daily whenever school is open to pupils in all classes in partnership with Winshill Childcare. They organise and run this session, so if you would like to make use of this then please let the office know and we can share their details.

Pupil Premium

Pupil Premium is an opportunity for those eligible to secure additional funding for their child. This money is used to support them in their learning, as well as subsidising things such as school trips. Please do let us know if you think you are eligible for this, or you can apply directly. Further details can be found here:

[Overview - Free school meals - Staffordshire County Council](#)

Uniform

Looking smart is an important aspect of our school life and we want all of our children to wear our school uniform with pride. Uniform with logos on is available at [My Uniform \(myuniformltd.co.uk\)](http://MyUniform(myuniformltd.co.uk)) or www.wbglobaltrading.co.uk

Logos do look smart but they are not mandatory and local supermarkets have perfectly suitable smart uniform items at very reasonable prices.

On a normal school day, all children should wear:

- Red crew neck sweatshirt/cardigan
- White polo or shirt
- Grey or black school trousers/skirt/pinafore dress or red gingham school dress
- Black flat sensible school shoes (shoes are to be plain with no coloured logos, smart plain black trainers are acceptable)

For safety, earrings must only be modest studs and no necklaces, bracelets or rings should be worn. If jewellery, outside of these guidelines, is worn please do not be offended if your child is asked to remove it for the remainder of the day. If you are planning to get your child's ears pierced, then the start of the summer holiday is ideal as hopefully they can then remove them independently for PE lessons.

Watches are acceptable. Smart watches, however, are worn at your own risk and school cannot any responsibility for loss or damage if these are brought into school.

All long hair should be tied back daily for school. Please use modest hair accessories only.

PE Days

On a PE day, we would like to ask all children to come to school in their PE kit. This saves time changing, preserves privacy and hopefully helps with the washing at home too!

Our PE kit is as follows:

- Plain white T-shirt
- Black or grey PE shorts or leggings
- Trainers
- Warm tracksuit top and bottoms

Pre-loved uniform will be available in a swap shop from mid-September. If you have high-quality pre-loved uniform with plenty of life in it still, please bring into to school (washed and clean) so that it can be re-homed.

Birthdays

At Winshill, we love sharing birthdays with our children! As such, from this year, children are invited to come to school in their own clothes on their birthday (or the day nearest to it of a holiday or weekend birthday). They are welcome to bring sweets or cakes to celebrate with their friends, but these should not include nuts and we ask that dietary requirements of classmates are considered.

Absence and Attendance

We strongly encourage good attendance from all of our pupils. Every day at school matters and so we encourage children to be in school unless they are too unwell to be so. If your child is ill, please contact us via phone or email on the first day of their absence to advise off the reason why they are absent.

It is always our preference that routine medical or dental appointments be taken outside of the school day, though we recognise that this may not always be possible. Please do not be offended if we ask to see proof of the appointment. This is part of our MAT Attendance Policy.

We cannot authorise any holidays in term-time. Please be advised that such absences are recorded as unauthorised and may be subject to penalty notices (for children 5 years and over).

Questions and concerns

At Winshill Village, we are proud to be a 'family school'. We always work tirelessly in the best interests of your children and keep them at the forefront of all decision-making. We are committed to making their primary school days the very best years of their life.

If, however, something is not going right, you have suggestions on how we could improve something or you have any questions, concerns or worries, we do strongly encourage you to get in touch. We will always welcome you in, listen to you and act on your concerns.
