Big Question: Can I gather and record data about the number of  
minibeasts found in different habitats?

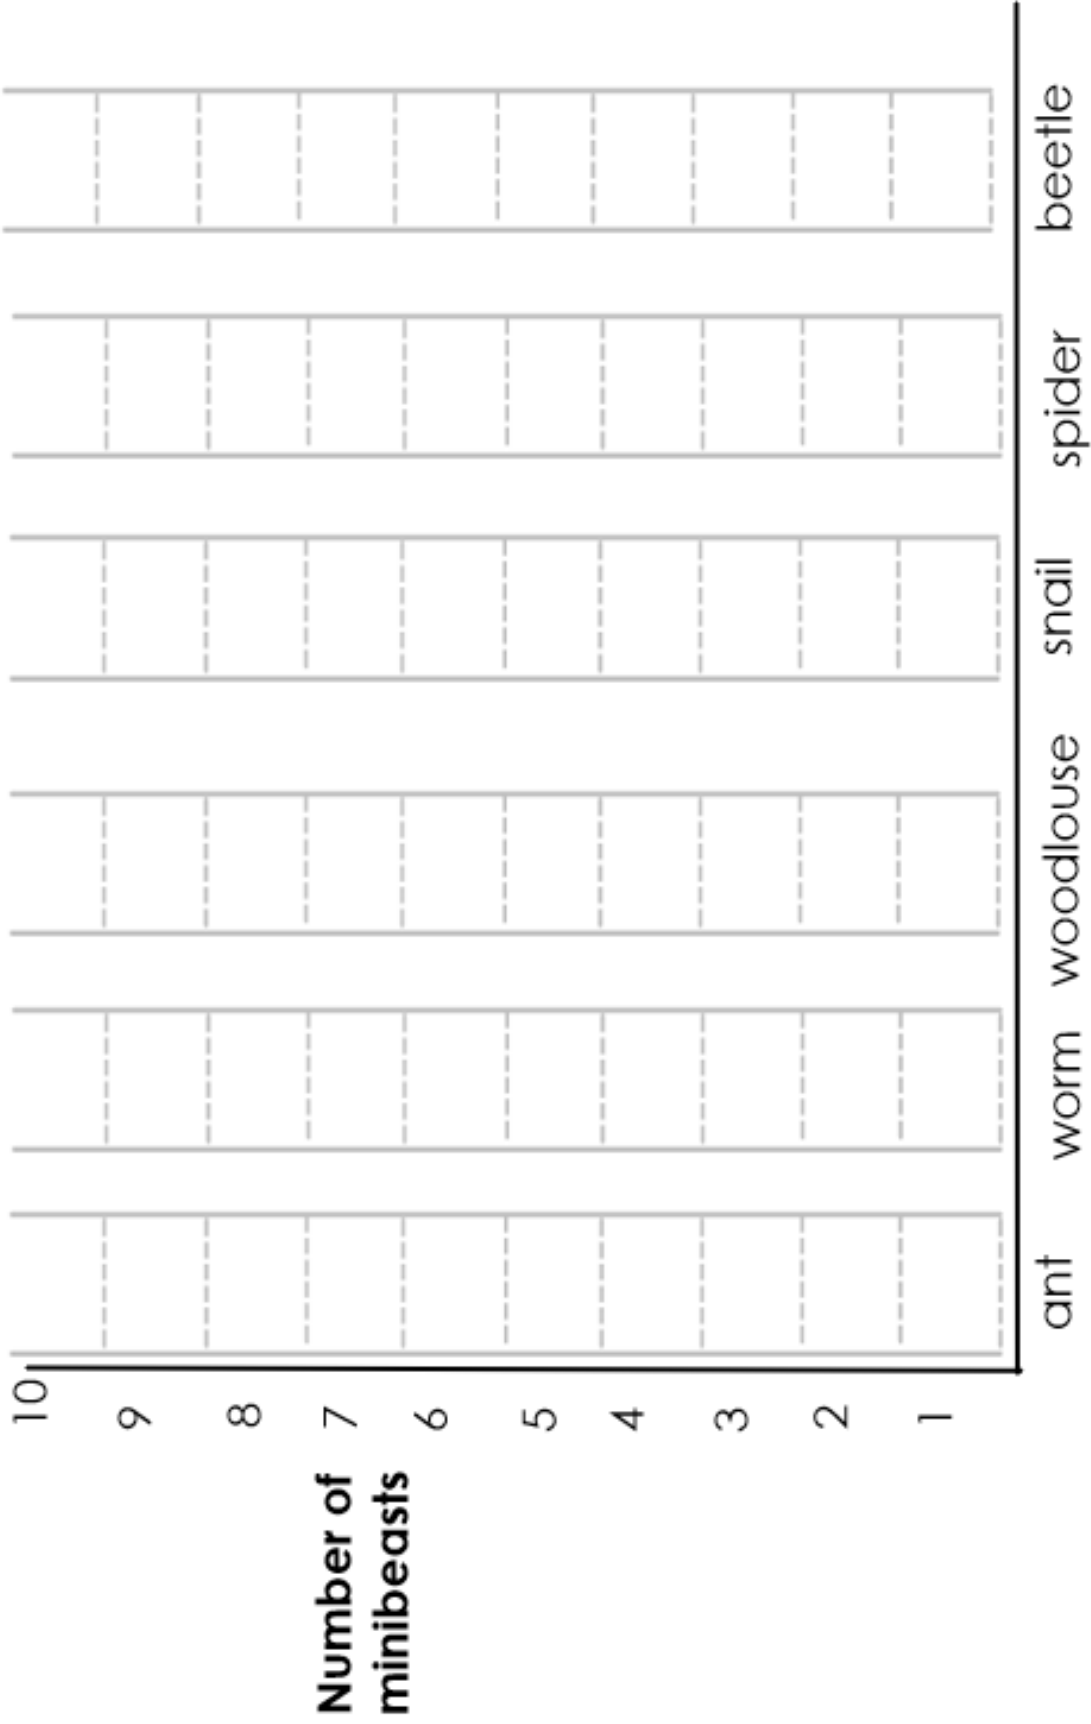

Area 1 - \_\_\_\_\_

Minibeast	Prediction	Number found
ant 		
worm 		
woodlouse 		
snail 		
spider 		
beetle 		

Area 2 - \_\_\_\_\_

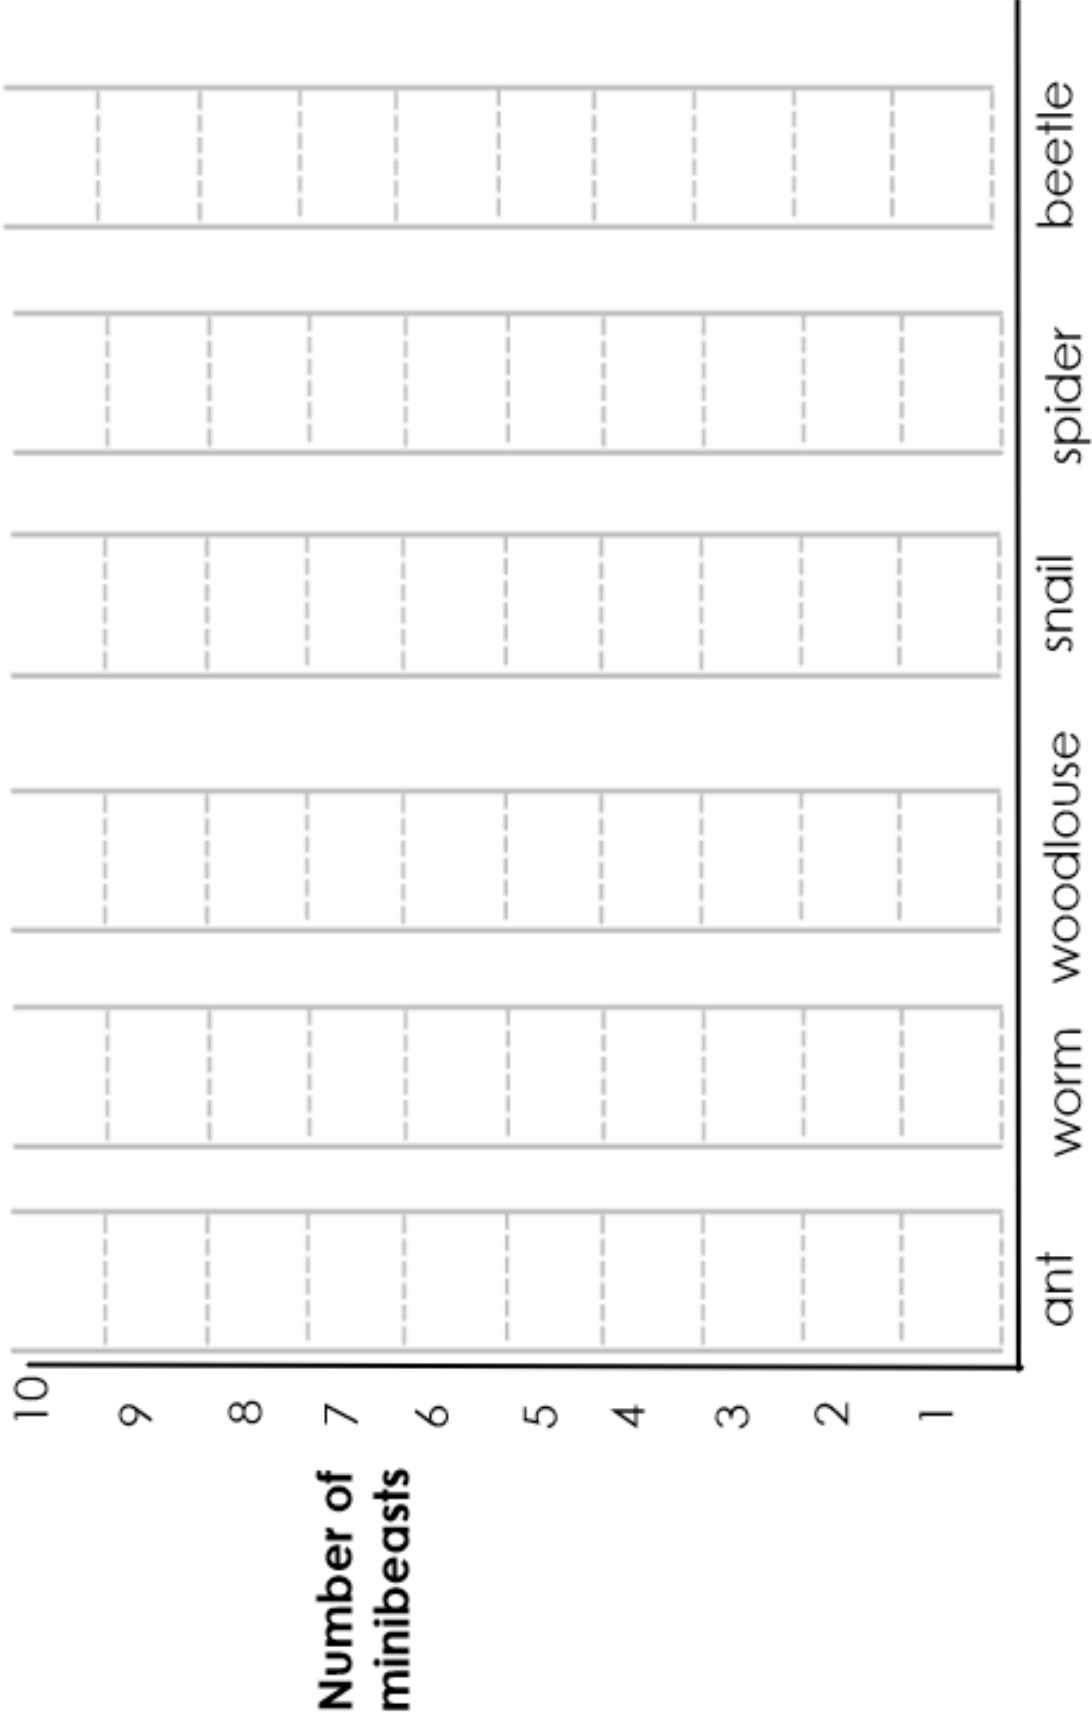

Minibeast	Prediction	Number found
ant 		
worm 		
woodlouse 		
snail 		
spider 		
beetle 		

**Number of minibeasts found in Area 1**

**Name of minibeasts**
