

# WANTED

**Name:** Starjik

**Crimes**

stealing children from their beds and freezing them in his wall of ice.

**Physical Appearance and Character**

Starjik is a hideous figure who is stooped and crooked. He wears a long, white robe to hide his skinny frame. His eyes are pale and as hard as stones.

Starjik is a cruel creature with a cold laugh, enough to send shivers down your spine. His heart is cold; there is no warmth in there! Even his voice is like snow.

**Last Seen/Believed whereabouts**

This fiend was last seen in the Pinewood village, south of Ishtak. It is believed that he stole the blacksmith's son and rode out of the village heading north on his sleigh pulled by his pack of hungry wolves.

**What to do if you can help:**

Do not approach this criminal. If you know of his whereabouts, please inform the local authorities on this number: 00 44 78654
